

VET Vocational Education and Training

CERTIFICATE II IN SKILLS FOR WORK AND VOCATIONAL PATHWAYS

This nationally recognised certificate course supports students who want to develop skills that are necessary to gain employment. The course has an emphasis on the student's individual personal development, their workplace skills and preparation for a **specific** VET program the following year.

VET Course

Certificate II in Skills for Work and Vocational Pathways can be studied in Year 11 or 12. It is a 300 hour course that is studied over 2 lines.

Featuring:

Students will complete units from within and outside of the Foundation Skills Training Package to enhance their employability skill set.

They will do this through a combination of practical projects and a focus on workplace reading, writing, numeracy, communication and learning skills. Students also have the opportunity to engage in practical work placement sessions, in a range of different industry settings.

and ongoing to

A range of vocational training certificate courses, apprenticeships/traineeships or employment.
