Tuesday 4 August 2026

Hobart College Information
Evening

Week 5, 6 & 7

Preliminary Enrolments

TERM 4

Week 4 & 5

Confirmation of Enrolments

Week 8

Step Up Day

Dear students, parents & carers.

By attending a school within the Hartz Collective, you have selected a team of schools that are committed to ensuring all students are known, safe, well and learning. Hobart College is one of the options you/your young person are considering for their last two years of schooling. Hobart College celebrates tradition, excellence and diversity. We are committed to supporting our young people to complete Year 12 with the skills, knowledge and qualifications to succeed in their chosen pathway. We are immensely proud of our record of academic and vocational results and would be delighted to welcome you and your young person to the Hobart College community in 2027.

Hartz Collective Showcase

During Term 2, we kick off our transition program by partnering with our Hartz Collective colleagues to visit each school and provide students with information about all the possibilities within our collective. This will include a brief presentation from each Hartz Collective school and an opportunity for students to talk and connect with representatives from each school.

Taster Day at Hobart College

Taster Day will be held on **Thursday 25 June, 2026**. This is our first official orientation for students considering an enrolment at Hobart College in 2027.

Taster Day provides prospective students with the opportunity to experience a 'taste' of what life is like at Hobart College through the selection of four 'taster sessions'. Information regarding Taster Day will be emailed to students in Week 5 + 6 of Term 2.

Hobart College Information Evening

Hobart College Information Evening will take place on **Tuesday 4 August, 2026** in the Mount Nelson Theatre for all prospective 2027 students and their parents/carers.

This is an opportunity to find out more about the Tasmanian Certificate of Education (TCE), Tasmanian Assessment, Standards and Certification (TASC), Australian Tertiary Admissions Ranking (ATAR), and Vocation Education and Training (VET) requirements, as well as courses on offer in 2027.

There will also be the opportunity for students, parents and carers to speak with specialist teachers and support staff.

Preliminary Enrolments and Enrolment Evening

For students attending Dover District School, Huonville High School, Kingston High School, Taroona High School or Woodbridge School, **preliminary enrolments** take place within each school during Term 3, Weeks 5, 6 and 7. As a collective of schools, we work closely to ensure students are supported in planning their last two years of school. Part of this process includes developing a Transition Plan, as well as one-to-one conversations with specialist staff.

For students, parents or carers needing additional support, an **enrolment evening** will be held on **Thursday 10 September 2026**. Booking information for this session will be distributed during Term 3.

Confirmation of Enrolments

Students will receive a confirmation of their enrolment at the start of Term 4 via email. In addition, specialist staff will visit each school where students are able to make course changes and have additional conversations as needed.

Step Up Day

Step Up Day is our official orientation day for new students who have enrolled at Hobart College for 2027. Held in Week 8, Term 4, students will start the day with an assembly in the Mount Nelson Theatre. They will then attend Home Group and participate in a 'step-up session' for each of their 2027 courses.

The Student Services team and professional support staff will be available for students needing assistance.
